The regular meeting of the Board of Permit Appeals of the City and County of San Francisco was called to order at 6:30 p.m. on Wednesday, January 4, 1978 in City Hall, Room 282.

Commissioner Douglas J. Engmann

Also present were Inspector Art Campos of the Department of Public Works, Officer Michael Seybold of the Police Department, Daniel Sullivan of City Planning Department, Captain James Calden of the Fire Department, and the board's official Hearing Reporter, Doris Levine.

APPEAL NO. 8299

Bo Ayres, Appl. vs. S.F. Dept. of Public Health, Resp.
Appealing cease and desist order of 8/22/78 regarding use of premises at 175 Henry Street, and question of this board's jurisdiction.

Inspector William Noll spoke for the Health Department, and the appellant appeared with his attorney John Houston Scott. The board considered the question of jurisdiction, ruling that jurisdiction is lacking inasmuch as no permit has been denied, and the animals kept by the appellant are not permitted under the applicable provisions of the Health Code.

Appeal V-8268 was on calendar for rehearing. Daniel Sullivan appeared for City Planning Department, Alec Bash and Bernard Fleming opposed the variance, and appellant Edwin Stark appeared with his attorney David Clayton. The board overruled unanimously with the following stipulations, supplanting their ruling of August 16, 1978: (1) Renovation of wash room to be permitted only within the existing enclosure; (2) Railing around deck on garage roof not to exceed three feet in height.

Further hearing was held regarding Appeal No. 8280. Appearing in opposition to Ralph K. Davis Medical Center's project were Dale Champion, Peter Persley, Evelyn Dawe, Karen O'Connell and Sue Hestor. The appellants were represented by attorney Russell B. Carpenter, Jack Howser, and George Bonnano. With Commissioners Cerbatos and Scott both voting to concur, this appeal lacked the four votes necessary to overturn the department's ruling.

In further hearing of Appeal 8302, the board heard from attorney Alan B. Axelrod and the appellant, and from Jim Bernstein and Joseph Cavaleri representing the neighborhood. After hearing their reports, the board voted unanimously to overrule with the following stipulations: (1) Two lights in parking area to be disconnected as agreed; (2) Lower wattage to be used in the three remaining lights; (3) Height of lights to be adjusted as agreed; (4) Ten-foot fence to be located where adjoining property owners agree; (5) Acoustical material to be provided in passageway from Lombard Street to parking lot; (6) Gate to be connected to burglar alary system for security when lot is not in use.

Appeal No. V-8248 was on the agenda for rehearing. Nancy Gin presented the case for the Zoning Administrator, and the appellant appeared with attorney Barry Willdorf and witness Mr. Volkers. As Commissioner Scott voted to concur, this appeal was denied for lack of the required four overrule votes.

APPEAL NO. 8307

Joseph Lilly & William Heyer, Appls. vs. S.F. Dept. of Public Works, Resp. (City Planning Dept. Disapproval)

Denying appellants 8/25/78 permit to alter a building at 3001 Market Street.

Daniel Sullivan spoke for City Planning Department, and both appellants appeared. After hearing the facts, the board voted unanimously to overrule with stipulation that no further commercial development be introduced in the building.

The following two appeals were heard together:

APPEAL NO. 8305

G. R. Baldwin, Appl. vs. S.F. Dept. of Public Works, Resp.

Protesting issuance on 8/23/78 to F. Bentel, permit to erect structure at 70 Banks.

APPEAL NO. 8306

G. R. Baldwin, Appl. vs. S.F. Dept. of Public Works, Resp.

Protesting issuance on 8/23/78 to F. Bentel, permit to erect structure at 74 Banks.

Mr. Boyle, representing the appellant-protestant, gave the grounds for these protests, and permit holder F. Bentel spoke. With Commissioners Cerbatos and Berman voting to concur in the granting of the permits, these two protests lacked the necessary four overrule votes, and the appeals were therefore denied.

APPEAL NO. 8308

Fat Kuen Wong, Appl. vs. S.F. Dept. of Public Works, Resp.

Protesting issuance on 8/16/78 to Mrs. Lau, permit to alter building at 1528-1532 Grant.

Mr. and Mrs. Fat Kuen Wong and Gloria Shalmer gave the grounds for this protest, and Benson Lau appeared on behalf of the permit holder. The board scheduled a site inspection for Monday, September 11 and will hold further hearing at the next regular meeting.

APPEAL NO. 8312

Debra Nichols, Appl. vs. S.F. Dept. of Public Works, Resp.
Denying appellant 9/1/78 permit to erect a sign at 216 Stockton Street.

Inspector O'Reilly outlined this appeal, and the appellant testified. After considering all circumstances, the board unanimously overruled.

A letter dated August 31, 1978 from attorney Peter P. Machi was before the Board, concerning Planning Commission Resolution No. 8017 regarding Bernal Heights. The board affirmed that no jurisdiction for an appeal exists at this time.
